LEGISLATIVE COUNSEL'S DIGEST

AB 2151, as amended, Torres. Insurance: public safety employees: accidents.

Existing law provides that no insurer shall, in issuing or renewing a private automobile insurance policy to a peace officer, member of the California Highway Patrol, or firefighter, with respect to his or her operation of a private motor vehicle, increase the premium on that policy for the reason that the insured or applicant for insurance has been involved in an accident while operating an authorized emergency vehicle, as defined, in the performance of his or her duty during the hours of his or her employment.

This bill would also provide that no insurer shall, in issuing or renewing a private automobile insurance policy to a peace officer, member of the California Highway Patrol, or firefighter, with respect to his or her operation of a private motor vehicle, increase the premium on that policy for the reason that the insured or applicant for insurance has been involved in an accident while operating a private vehicle in

the performance of his or her duty at the request or direction of the employer.

Existing law provides that a peace officer, member of the Department of the California Highway Patrol, or firefighter shall not be required to report any accident in which he or she is involved while operating any employer-leased or employer-rented vehicle, in the performance of his or her duty during the hours of his or her employment, to any person who has issued that peace officer, member of the Department of the California Highway Patrol, or firefighter a private automobile insurance policy.

This bill would additionally provide that a peace officer, member of the Department of the California Highway Patrol, or firefighter shall not be required to report, and the employer of the same may not require or request that a peace officer, member of the Department of the California Highway Patrol, or firefighter report, any accident in which he or she is involved while operating a private vehicle at the request or direction of his or her employer in the performance of the employee's duty to any person who has issued that peace officer, member of the Department of the California Highway Patrol, or firefighter a private automobile insurance policy. The bill would also provide that any private automobile insurance policy or any other private insurance policy covering the employee shall not be required to provide defense or indemnification for an accident involving a peace officer, member of the Department of the California Highway Patrol, or firefighter operating a private vehicle in the performance of his or her duty at the request or direction of his or her employer. The bill would make conforming changes relating to proof of financial responsibility, in the event of an accident involving a vehicle operated on behalf of a public agency.
